# MODEL EXPO 2011

*You Could Be Discovered Next!*

## COME BE DISCOVERED!

America's Fabulous Faces has helped many new faces be introduced into the modeling industry. YOU could be the next, now we plan to take it a step further. Read on to learn more about the Model Expo 2011!

## MODEL EXPO 2011 SUPERMODEL

This year as an attempt to help our contestants break into the modeling industry we have invited modeling agencies and scouts to attend our State and National competitions. This is an open event you DO NOT have to be a contestant in the pageant to enter this event. You may have a brother, sister, cousin or friend that want to enter. IT is simple you just turn your natural photos in at registration - be sure to have the photos marked Model Expo on the back with name age and phone number on each photo submission. Photos can be headshots or full body. After the pageant competition is over you may be asked to interview with an agent or director. In addition to the prestige possibly breaking into the modeling field, you may also see your photo on one of our posters or advertisements. There are so many ways to benefit from our model expo. You will definitely not want to miss it!! You may be the next success story! Many people have been discovered and you may be next. This is not a stage event but a photo event. However our modeling agency/rep may ask for an interview. This would be done after the competition, but either before awards or after the entire pageant is over.

## WANT TO BE DISCOVERED?

Weather permitting this year we are proud to announce that following the model expo we are going to be filming a TV commercial for Americas Fabulous Faces as well 3 \$500 bond winners!! In addition to photo shoots, magazine ads and other prizes, we are awarding 4 speaking roles in our TV commercial. Come be a part of our Fabulous Faces TV commercial to be filmed after our model expo winners are chosen. Three winners 0-3, 4-7, 8&up get a speaking role in our nationally televised TV commercial that will be aired in 2012 across the country. **FABULOUS FACES WILL TAKE YOU PLACES!**
